this is the free verse of archy, the cockroach. archy has the soul of a poet, and he cannot resist the temptation to express himself in verse, so every night he climbs on the boss's typewriter and jumps up and down on the keys. here is the record of what life looks like from the viewpoint of a cockroach. archy has a lot to say about insects and beasts and human beings in general—but especially about mehitabel the cat. mehitabel is a feline to the tips of her claws, and her adventures are romantic, capricious, and corybantic. but though toujours gai, she is always a lady, for she claims that formerly her spirit was incarnated in the body of queen cleopatra.

george herriman, creator of krazy kat, has seen to it that all of archy's friends and enemies, from freddy, the rat, to warty bliggens, the toad, are magnificently represented. many have called this don marquis' masterpiece, and that is saying an awful lot.

What is the best
time to visit the
city of the future?

It is a question of
time and place.
The city of the future
is not a place
but a way of life.
It is a way of life
that is based on
the principles of
the future.

the coming of archy

The circumstances of Archy's first appearance are narrated in the following extract from the Sun Dial column of the New York *Sun*.

Dobbs Ferry possesses a rat which slips out of his lair at night and runs a typewriting machine in a garage. Unfortunately, he has always been interrupted by the watchman before he could produce a complete story.

It was at first thought that the power which made the typewriter run was a ghost, instead of a rat. It seems likely to us that it was both a ghost and a rat. Mme. Blavatsky's ego went into a white horse after she passed over, and someone's personality has undoubtedly gone into this rat. It is an era of belief in communications from the spirit land.

And since this matter had been reported in the public prints and seriously received we are no longer afraid of being ridiculed, and we do not mind making

a statement of something that happened to our own typewriter only a couple of weeks ago.

We came into our room earlier than usual in the morning, and discovered a gigantic cockroach jumping about upon the keys.

He did not see us, and we watched him. He would climb painfully upon the framework of the machine and cast himself with all his force upon a key, head downward, and his weight and the impact of the blow were just sufficient to operate the machine, one slow letter after another. He could not work the capital letters, and he had a great deal of difficulty operating the mechanism that shifts the paper so that a fresh line may be started. We never saw a cockroach work so hard or perspire so freely in all our lives before. After about an hour of this frightfully difficult literary labor he fell to the floor exhausted, and we saw him creep feebly into a nest of the poems which are always there in profusion.

Congratulating ourself that we had left a sheet of paper in the machine the night before so that all this work had not been in vain, we made an examination, and this is what we found:

expression is the need of my soul
i was once a vers libre bard
but i died and my soul went into the body of a cock-
roach
it has given me a new outlook upon life

READS IT AND
SNIFFS AT IT.

i see things from the under side now
thank you for the apple peelings in the wastepaper
basket
but your paste is getting so stale i can t eat it
there is a cat here called mehitabel i wish you would
have
removed she nearly ate me the other night why don t
she
catch rats that is what she is supposed to be for
there is a rat here she should get without delay

most of these rats here are just rats
but this rat is like me he has a human soul in him
he used to be a poet himself
night after night i have written poetry for you
on your typewriter
and this big brute of a rat who used to be a poet
comes out of his hole when it is done
and reads it and sniffs at it
he is jealous of my poetry
he used to make fun of it when we were both human
he was a punk poet himself
and after he has read it he sneers
and then he eats it

i wish you would have mehitabel kill that rat
or get a cat that is onto her job
and i will write you a series of poems showing how
things look

to a cockroach
that rat s name is freddy
the next time freddy dies i hope he won t be a rat
but something smaller i hope i will be a rat
in the next transmigration and freddy a cockroach
i will teach him to sneer at my poetry then

don t you ever eat any sandwiches in your office
i haven t had a crumb of bread for i don t know how
long
or a piece of ham or anything but apple parings
and paste leave a piece of paper in your machine
every night you can call me archy

mehitabel was once cleopatra

boss i am disappointed in
some of your readers they
are always asking how does
archy work the shift so as to get a
new line or how does archy do
this or do that they
are always interested in technical
details when the main question is
whether the stuff is
literature or not
i wish you would leave
that book of george moore s on
the floor

mehitabel the cat and i want to
read it i have discovered that
mehitabel s soul formerly inhabited a
human also at least that
is what mehitabel is claiming these
days it may be she got jealous of
my prestige anyhow she and
i have been talking it over in a

friendly way who were you
mehitabel i asked her i was
cleopatra once she said well i said i
suppose you lived in a palace you bet
she said and what lovely fish dinners
we used to have and licked her chops

mehitabel would sell her soul for
a plate of fish any day i told her i thought
you were going to say you were
the favorite wife of the emperor
valerian he was some cat nip eh
mehitabel but she did not get me

archy

I WAS CLEOPATRA ONCE
SHE SAID.

the song of mehitabel

this is the song of mehitabel
of mehitabel the alley cat
as i wrote you before boss
mehitabel is a believer
in the pythagorean
theory of the transmigration
of the soul and she claims
that formerly her spirit
was incarnated in the body
of cleopatra
that was a long time ago
and one must not be
surprised if mehitabel
has forgotten some of her
more regal manners

i have had my ups and downs
but wotthehell wotthehell
yesterday sceptres and crowns
fried oysters and velvet gowns
and today i herd with bums
but wotthehell wotthehell

i wake the world from sleep
as i caper and sing and leap
when i sing my wild free tune
wotthehell wotthehell
under the blear eyed moon
i am pelted with cast off shoon
but wotthehell wotthehell

do you think that i would change
my present freedom to range
for a castle or moated grange
wotthehell wotthehell
cage me and i d go frantic
my life is so romantic
capricious and corybantic
and i m toujours gai toujours gai

i know that i am bound
for a journey down the sound
in the midst of a refuse mound
but wotthehell wotthehell
oh i should worry and fret
death and i will coquette
there s a dance in the old dame yet
toujours gai toujours gai

i once was an innocent kit
wotthehell wotthehell

I FOLLOWED AROUND THE ST. THE PAD
OF HIS RHYTHMICAL FT.

with a ribbon my neck to fit
 and bells tied onto it
 o wotthehell wotthehell
 but a maltese cat came by
 with a come hither look in his eye
 and a song that soared to the sky
 and wotthehell wotthehell
 and i followed adown the street
 the pad of his rhythmical feet
 o permit me again to repeat
 wotthehell wotthehell

my youth i shall never forget
 but there s nothing i really regret
 wotthehell wotthehell
 there s a dance in the old dame yet
 toujours gai toujours gai

the things that i had not ought to
 i do because i ve gotto
 wotthehell wotthehell
 and i end with my favorite motto
 toujours gai toujours gai

boss sometimes i think
 that our friend mehitabel
 is a trifle too gay

iv

pity the poor spiders

i have just been reading
an advertisement of a certain
roach exterminator
the human race little knows
all the sadness it
causes in the insect world
i remember some weeks ago
meeting a middle aged spider
she was weeping
what is the trouble i asked
her it is these cursed
fly swatters she replied
they kill off all the flies
and my family and i are starving
to death it struck me as
so pathetic that i made
a little song about it
as follows to wit

twas an elderly mother spider
grown gaunt and fierce and gray
with her little ones crouched beside her
who wept as she sang this lay

curses on these here swatters
what kills off all the flies
for me and my little daughters
unless we eats we dies

swattin and swattin and swattin
tis little else you hear
and we ll soon be dead and forgotten
with the cost of living so dear

my husband he up and left me
lured off by a centipede
and he says as he bereft me
tis wrong but i ll get a feed

and me a working and working
scouring the streets for food
faithful and never shirking
doing the best i could

curses on these here swatters
what kills off all the flies
me and my poor little daughters
unless we eats we dies

only a withered spider
feeble and worn and old
and this is what
you do when you swat
you swatters cruel and cold

i will admit that some
of the insects do not lead
noble lives but is every
man s hand to be against them
yours for less justice
and more charity

archy

v

mehitabel s extensive past

mehitabel the cat claims that
she has a human soul
also and has transmigrated
from body to body and it
may be so boss you
remember i told you she accused
herself of being cleopatra once i
asked her about antony

anthony who she asked me are
you thinking of that
song about rowley and gammon and
spinach heigho for anthony rowley

no i said mark antony the
great roman the friend of
caesar surely cleopatra you
remember j caesar

listen archy she said i
have been so many different
people in my time and met

so many prominent gentlemen i
won t lie to you or stall i
do get my dates mixed sometimes
think of how much i have had a
chance to forget and i have
always made a point of not
carrying grudges over
from one life to the next archy

i have been
used something fierce in my time but
i am no bum sport archy
i am a free spirit archy i
look on myself as being
quite a romantic character oh the
queens i have been and the
swell feeds i have ate
a cockroach which you are
and a poet which you used to be
archy couldn t understand
my feelings at having come
down to this i have
had bids to elegant feeds where poets
and cockroaches would
neither one be mentioned without a
laugh archy i have had
adventures but i
have never been an adventuress

one life up and the next life
down archy but always a lady
through it all and a
good mixer too always the
life of the party archy but never
anything vulgar always free footed
archy never tied down to
a job or housework yes looking
back on it all i can say is
i had some romantic
lives and some elegant times i
have seen better days archy but
what s the use of kicking kid it s
all in the game like a gentleman
friend of mine used to say
toujours gai kid toujours gai he
was an elegant cat he used
to be a poet himself and he made up
some elegant poetry about me and him

lets hear it i said and
mehitabel recited

persian pussy from over the sea
demure and lazy and smug and fat
none of your ribbons and bells for me
ours is the zest of the alley cat

over the roofs from flat to flat
we prance with capers corybantic
what though a boot should break a slat
mehitabel us for the life romantic

we would rather be rowdy and gaunt and free
and dine on a diet of roach and rat

roach i said what do you
mean roach interrupting mehitabel
yes roach she said that s the
way my boy friend made it up
i climbed in amongst the typewriter
keys for she had an excited
look in her eyes go on mehitabel i
said feeling safer and she
resumed her elocution

we would rather be rowdy and gaunt and free
and dine on a diet of roach and rat
than slaves to a tame society
ours is the zest of the alley cat
fish heads freedom a frozen sprat
dug from the gutter with digits frantic
is better than bores and a fireside mat
mehitabel us for the life romantic

when the pendant moon in the leafless tree
clings and sways like a golden bat

i sing its light and my love for thee
ours is the zest of the alley cat
missiles around us fall rat a tat tat
but our shadows leap in a ribald antic
as over the fences the world cries scat
mehitabel us for the life romantic

persian princess i don t care that
for your pedigree traced by scribes pedantic
ours is the zest of the alley cat
mehitabel us for the life romantic

ain t that high brow stuff
archy i always remembered it
but he was an elegant gent
even if he was a highbrow and a
regular bohemian archy him and
me went aboard a canal boat
one day and he got his head into
a pitcher of cream and couldn t get
it out and fell overboard
he come up once before he
drowned toujours gai kid he
gurgled and then sank for ever that
was always his words archy toujours
gai kid toujours gai i
have known some swell gents
in my time dearie

the cockroach who had been to hell

listen to me i have
been mobbed almost
there s an old simp cockroach
here who thinks he has
been to hell and all
the young cockroaches make a
hero out of him and admire
him he sits and runs his front
feet through his long white
beard and tells the story one
day he says he crawled into a yawning
cavern and suddenly came on a
vast abyss full of whirling
smoke there was a light
at the bottom billows
and billows of yellow smoke
swirled up at him and
through the horrid gloom he
saw things with wings flying
and dropping and dying they veered
and fluttered like damned
spirits through that sulphurous mist

listen i says to him
old man you ve never been to hell
at all there isn t any hell
transmigration is the game i
used to be a human vers libre
poet and i died and went
into a cockroach s body if
there was a hell i d know
it wouldn t i you re
irreligious says the old simp
combing his whiskers excitedly

ancient one i says to him
while all those other
cockroaches gathered into a
ring around us what you
beheld was not hell all that
was natural some one was fumigating
a room and you blundered
into it through a crack
in the wall atheist he cries
and all those young
cockroaches cried atheist
and made for me if it
had not been for freddy
the rat i would now be
on my way once more i mean
killed as a cockroach and transmigrating
into something else well

archy and mehitabel

that old whitebearded devil is
laying for me with his
gang he is jealous
because i took his glory away
from him don t ever tell me
insects are any more liberal
than humans

archy interviews a pharaoh

boss i went
and interviewed the mummy
of the egyptian pharaoh
in the metropolitan museum
as you bade me to do

in my tender prime
i was too dignified
to have anything as vulgar
as ambition
the ra ra boys
in the seti set
were too haughty
to be ambitious
we used to spend our time
feeding the ibises
and ordering

but if i had my life
to live over again
i would give dignity
the regal razz
and hire myself out
to work in a brewery

old tan and tarry
says i
i detect in your speech
the overtones
of melancholy

yes i am sad
says the majestic mackerel
i am as sad

as the song
of a soudanese jackal
who is wailing for the blood red
moon he cannot reach and rip

on what are you brooding
with such a wistful
wishfulness
there in the silences
confide in me
my imperial pretzel
says i

i brood on beer
my scampering whiffle snoot
on beer says he

my sympathies
are with your royal

says he
you must be respectful
in the presence
of a mighty desolation
little archy
forty centuries of thirst

look down upon you

says the princely raisin
and by pish and phthush and phthah
by the sacred book perembru
and all the gods
that rule from the upper
cataract of the Nile
to the delta of the duodenum
i am dry
i am as dry
as the next morning mouth
of a dissipated desert
as dry as the hoofs
of the camels of timbuctoo
little fussy face
i am as dry as the heart
of a sand storm
at high noon in hell
i have been lying here
and there
for four thousand years
with silicon in my esophagus
and gravel in my gizzard
thinking
thinking
thinking
of beer

"THINKING"

a spider and a fly

i heard a spider
and a fly arguing
wait said the fly
do not eat me
i serve a great purpose
in the world

you will have to
show me said the spider

i scurry around
gutters and sewers
and garbage cans
said the fly and gather
up the germs of
typhoid influenza
and pneumonia on my feet
and wings
then i carry these germs
into the households of men
and give them diseases
all the people who

have lived the right
sort of life recover
from the diseases
and the old soaks who
have weakened their systems
with liquor and iniquity
succumb it is my mission
to help rid the world
of these wicked persons
i am a vessel of righteousness
scattering seeds of justice
and serving the noblest uses

it is true said the spider
that you are more
useful in a plodding
material sort of way
than i am but i do not
serve the utilitarian deities
i serve the gods of beauty
look at the gossamer webs
i weave they float in the sun
like filaments of song
if you get what i mean
i do not work at anything
i play all the time
i am busy with the stuff
of enchantment and the materials
of fairyland my works

transcend utility
i am the artist
a creator and a demi god
it is ridiculous to suppose
that i should be denied
the food i need in order
to continue to create
beauty i tell you
plainly mister fly it is all
damned nonsense for that food
to rear up on its hind legs
and say it should not be eaten

you have convinced me
said the fly say no more
and shutting all his eyes
he prepared himself for dinner
and yet he said i could
have made out a case
for myself too if i had
had a better line of talk

of course you could said the spider
clutching a sirloin from him
but the end would have been
just the same if neither of
us had spoken at all

boss i am afraid that what
the spider said is true
and it gives me to think
furiously upon the futility
of literature

freddy the rat perishes

listen to me there have
been some doings here since last
i wrote there has been a battle
behind that rusty typewriter cover
in the corner
you remember freddy the rat well
freddy is no more but
he died game the other
day a stranger with a lot of
legs came into our
little circle a tough looking kid
he was with a bad eye

who are you said a thousand legs
if i bite you once
said the stranger you won t ask
again he he little poison tongue said
the thousand legs who gave you hydrophobia
i got it by biting myself said
the stranger i m bad keep away
from me where i step a weed dies
if i was to walk on your forehead it would

raise measles and if
you give me any lip i ll do it

they mixed it then
and the thousand legs succumbed
well we found out this fellow
was a tarantula he had come up from
south america in a bunch of bananas
for days he bossed us life
was not worth living he would stand in
the middle of the floor and taunt
us ha ha he would say where i
step a weed dies do
you want any of my game i was
raised on red pepper and blood i am
so hot if you scratch me i will light
like a match you better
dodge me when i m feeling mean and
i don t feel any other way i was nursed
on a tabasco bottle if i was to slap
your wrist in kindness you
would boil over like job and heaven
help you if i get angry give me
room i feel a wicked spell coming on

last night he made a break at freddy
the rat keep your distance
little one said freddy i m not
feeling well myself somebody poisoned some

WITH MILITARY
HONORS.

freddy the rat perishes . 63

cheese for me i m as full of
death as a drug store i
feel that i am going to die anyhow
come on little torpedo come on don t stop
to visit and search then they
went at it and both are no more please
throw a late edition on the floor i want to
keep up with china we dropped freddy
off the fire escape into the alley with
military honors

the merry flea

the high cost of
living isn't so bad if you
don't have to pay for it i met
a flea the other day who
was grinning all over
himself why so merry why so
merry little bolshevik i asked him

i have just come from a swell
dog show he said i have
been lunching off a dog that was
worth at least one hundred
dollars a pound you should be
ashamed to brag about it i said with so
many insects and humans on
short rations in the world today the
public be damned he said i
take my own where i find it those are
bold words i told him i am a bold
person he said and bold words are
fitting for me it was
only last thursday that i marched

bravely into the zoo
and bit a lion what did he do i asked
he lay there and took it said
the flea what else could he do he knew i
had his number and it was
little use to struggle some day i said
even you will be conquered terrible as
you are who will do it he
said the mastodons are all dead and i
am not afraid of any mere
elephant i asked him how about a microbe and
he turned pale as he thought it
over there is always some
little thing that is too
big for us every
goliath has his david and so on ad finitum
but what said the flea is the
terror of the smallest microbe of all
he i said is afraid of a vacuum what is
there in a vacuum to make one afraid
said the flea there is nothing in it
i said and that is what makes one
afraid to contemplate it a person
can t think of a place with nothing at
all in it without going nutty and if he
tries to think that nothing is
something after all he gets nuttier you are
too subtle for me said the
flea i never took much stock in being

scared of hypodermic propositions or
hypothetical injections i am
going to have dinner off a
man eating tiger if a vacuum gets
me i will try and send you word
before the worst comes to
the worst some people i told him inhabit
a vacuum all their lives and
never know it then he said it don t
hurt them any no i said it don t but it
hurts people who have to associate
with them and with these words
we parted each feeling
superior to the other and is not that
feeling after all one of the great
desiderata of social intercourse

why mehitabel jumped

well boss i saw
mehitabel the cat the other day
and she was looking a little
thin and haggard
with a limp in
the hind leg on the starboard
side old feline animal i said
how is tricks still in the
ring archy she said and still a
lady in spite of h dash double l
always jolly archy she said in
spite of hard luck
toujours gai is the word
archy toujours gai how did you
get the game leg mehitabel i asked her
alas she said it is due
to the treachery of
one of these social swells who
is sure one bad actor he was a
fussed up cat with a
bell around his neck on a
ribbon and the look about him of

a person that is currycombed and
manicured from teeth to
tail every day i met him
down by the east river
front when i was scouting
about for a little piece of fish since
the high cost of living has
become so self conscious archy
it would surprise you
how close they
watch their fish nowadays
but what the h dash double l archy
it is the cheerful heart that
wins i am never cast down for long
kid says this gilded
feline to me you look hungry i
am all of that i says to him i
have a vacuum in my midst
that is bigger than i am i
could eat the fish that ate
jonah kid he says you have
seen better days i can
tell that from looking at you thanks
i said what you say is at
least half true i have never
seen any worse ones and so
archy one word led to
another until that sleek villian
practically abducted me

and i went with him
 on board a houseboat of which
 he was the pampered mascot
 such evidences of pomp and wealth archy
 were there that you would not
 believe them if i told of them to
 you poor cockroach that you
 are but these things were nothing to me
 for i am a reincarnation of cleopatra
 as i told you long ago you mean
 her soul transmigrated to a cat s
 body i said it is
 all one archy said she have it your own
 way reincarnation or transmigration
 is the same to me the point is
 i used to be a queen in
 egypt and will likely be one again
 this place was furnished swell percy i
 said the furniture is
 fine and i could eat some of it if
 i was a saw mill but
 where is the honest to g dash d food
 the eats percy what i crave is
 some cuisine for my stomach let us
 trifle with an open ice box
 for a space if one can be
 persuaded to divulge the scheme of its
 interior decoration follow me
 said this percy thing and led

me to a cabin in which stood a table upon
which stood viands i
have heard of tables groaning archy
but this one did not it
was too satisfied it purred with
contentment in an instant i had eaten a
cold salmon who seemed to be
toastmaster of the occasion and a
whole scuttleful of chef doovers what
you mean is hors d'ouvres mehitabel i
told her what i mean is grub said she
when i walked a person whom
i should judge to be either a butler
or the admiral of that fleet or maybe
both this percy creature who had led me
to it was on the table eating with me
what do you think he did what
would any gentleman friend with a
spark of chivalry do what but stand by
a lady this percy does nothing of the
kind archy he immediately attacks me do
you get me archy he acts as if i
was a stray cat he did not
know and he was protecting his
loving masters food from my onslaughts
i do not doubt he got praise and had
another blue ribbon for his heroism as
for me i got the boot and as i went
overboard they hit me on the limb with

a bottle or an anchor or something
nautical and hard that archy is why i
limp but toujours gai archy what
the h dash double l i am always
merry and always ladylike mine archy has
been a romantic life and i will
tell you some more of my adventures
ere long well au revoir i suppose i
will have to go and start a pogrom
against some poor innocent little
mouse just the same i think
that mehitabel s unsheltered life sometimes
makes her a little sad

mehitabel has an adventure

back to the city archy
and dam glad of it
there s something about the suburbs
that gets on a town lady s nerves
fat slick tabbies
sitting around those country clubs
and lapping up the cream
of existence
none of that for me
give me the alley archy
me for the mews and the roofs
of the city
an occasional fish head
and liberty is all i ask
freedom and the garbage can
romance archy romance is the word
maybe i do starve sometimes
but wotthehell archy wotthehell
i live my own life
i met a slick looking tom
out at one of these long island
spotless towns

he fell for me hard
he slipped me into the
pantry and just as we had got
the icebox door open and were
about to sample the cream
in comes his mistress
why fluffy she says to this slicker
the idea of you making
friends with a horrid creature like that
and what did fluffy do
stand up for me like a gentleman
make good on all the promises
with which he had lured me
into his house
not he the dirty slob
he pretended he did not know me
he turned upon me and attacked me
to make good with his boss
you mush faced bum i said
and clawed a piece out of his ear
i am a lady archy
always a lady
but an aristocrat will always
resent an insult
the woman picked up a mop and made
for me well well madam i said
it is unfortunate for you that
you have on sheer silk stockings
and i wrote my protest

on her shin it took reinforcements
in the shape of the cook
to rauss me archy and as i went
out the window i said to the fluffy person
you will hear from me later
he had promised me everything archy
that cat had
he had practically abducted me
and then the cheap crook threw me down
before his swell friends
no lady loves a scene archy
and i am always the lady no matter
what temporary disadvantages
i may struggle under
to hell with anything unrefined
has always been my motto
violence archy always does something
to my nerves
but an aristocrat must revenge
an insult i owe it to my family
to protect my good name
so i laid for that slob
for two days and nights and finally
i caught the boob in the shrubbery
pretty thing i said
it hurts me worse than it does you
to remove that left eye of yours
but i did it with one sweep of my claws
you call yourself a gentleman do you

i said as i took a strip out of his nose
you will think twice after this before
you offer an insult
to an unprotected young tabby
where is the little love nest you spoke
of i asked him
you go and lie down there i said
and maybe you can incubate another ear
because i am going to take one of
yours right off now
and with those words i made ribbons
out of it you are the guy
i said to him that was going to give
me an easy life sheltered from all
the rough ways of the world
fluffy dear you don t know what the
rough ways of the world are
and i am going to show you
i have got you out here
in the great open spaces
where cats are cats
and i m gonna make you understand
the affections of a lady ain t to be
trifled with by any slicker like you
where is that red ribbon with the
silver bells you promised me
the next time you betray the trust
of an innocent female
reflect on whether she may

carry a wallop little fiddle strings
this is just a mild lesson i am giving
you tonight i said as i took
the fur off his back and you oughta
be glad you didn t make me really
angry my sense of dignity is all that
saves you a lady little sweetness
never loses her poise and i thank god
i am always a lady even if i do
live my own life and with that i
picked him up by what was left of
his neck like a kitten and laid him
on the doormat slumber gently and
sweet dreams fluffy dear i said and
when you get well make it a rule of
your life never to trifle with another
girlish confidence i have been
abducted again and again by a dam
sight better cats than he ever was

the robin and the worm

a robin said to an
angleworm as he ate him
i am sorry but a bird
has to live somehow the
worm being slow witted could
not gather his
dissent into a wise crack
and retort he was
effectually swallowed
before he could turn
a phrase
by the time he had
reflected long enough
to say but why must a
bird live
he felt the beginnings
of a gradual change
invading him
some new and disintegrating
influence
was stealing along him
from his positive

to his negative pole
and he did not have
the mental stamina
of a jonah to resist the
insidious
process of assimilation
which comes like a thief
in the night
demons and fishhooks
he exclaimed
i am losing my personal
identity as a worm
my individuality
is melting away from me
odds crawl i am becoming
part and parcel of
this bloody robin
so help me i am thinking
like a robin and not
like a worm any
longer yes yes i even
find myself agreeing
that a robin must live
i still do not
understand with my mentality
why a robin must live
and yet i swoon into a
condition of belief
yes yes by heck that is

my dogma and i shout it a
robin must live
amen said a beetle who had
preceded him into the
interior that is the way i
feel myself is it not
wonderful when one arrives
at the place
where he can give up his
ambitions and resignedly
nay even with gladness
recognize that it is a far
far better thing to be
merged harmoniously
in the cosmic all
and this comfortable situation
in his midst
so affected the marauding
robin that he perched
upon a blooming twig
and sang until the
blossoms shook with ecstasy
he sang
i have a good digestion
and there is a god after all
which i was wicked
enough to doubt
yesterday when it rained
breakfast breakfast

i am full of breakfast
and they are at breakfast
in heaven
they breakfast in heaven
all s well with the world
so intent was this pious and
murderous robin
on his own sweet song
that he did not notice
mehitabel the cat
sneaking toward him
she pounced just as he
had extended his larynx
in a melodious burst of
thanksgiving and
he went the way of all
flesh fish and good red herring
a ha purred mehitabel
licking the last
feather from her whiskers
was not that a beautiful
song he was singing
just before i took him to
my bosom
they breakfast in heaven
all s well with the world
how true that is
and even yet his song
echoes in the haunted

woodland of my midriff
peace and joy in the world
and over all the
provident skies
how beautiful is the universe
when something digestible meets
with an eager digestion
how sweet the embrace
when atom rushes to the arms
of waiting atom
and they dance together
skimming with fairy feet
along a tide of gastric juices
oh feline cosmos you were
made for cats
and in the spring
old cosmic thing
i dine and dance with you
i shall creep through
yonder tall grass
to see if peradventure
some silly fledgling thrushes
newly from the nest
be not floundering therein
i have a gusto this
morning i have a hunger
i have a yearning to hear
from my stomach
further music in accord with

the mystic chanting
of the spheres of the stars that
sang together in the dawn of
creation prophesying food
for me i have a faith
that providence has hidden for me
in yonder tall grass
still more
ornithological delicatessen
oh gayly let me strangle
what is gayly given
well well boss there is
something to be said
for the lyric and imperial
attitude
believe that everything is for
you until you discover
that you are for it
sing your faith in what you
get to eat right up to the
minute you are eaten
for you are going
to be eaten
will the orchestra please
strike up that old
tutankhamen jazz while i dance
a few steps i learnt from an
egyptian scarab and some day i
will narrate to you the most

yesterday maddened with sorrow
 i leapt from the woolworth tower
 in an effort to dash out my brains
 gods what a wretched pathetic
 and anti climactic attempt
 i fluttered i floated i drifted
 i landed as light as a feather
 on the top of a bald man s head
 whose hat had blown off at the corner

 laughed at the comic cockroach

archy is shocked

speaking of shocking things
as so many people are these days
i noted an incident
in a subway train recently
that made my blood run cold
a dignified looking
gentleman with a long
brown beard
in an absent minded manner
suddenly reached up and
pulled his own left eye
from the socket and ate it

the consternation in the car
may be imagined
people drew away from him
on all sides women screamed and
fainted in a moment every one
but the guard and myself
were huddled in the end of the car
looking at the dignified
gentleman with terror

the guard was sweating
with excitement but he stood
his ground sir said the guard
you cannot intimidate me
nor can you mystify me
i am a wise boid
you sir are a glass eater
and that was a glass eye

to the devil with a country
where people can t mind their own
business said the dignified
gentleman i am not a glass eater
if you must know and that was not
a glass eye it was a pickled onion
can not a man eat pickled
onions in this community
without exciting remark
the curse of this nation
is the number of meddlesome
matties
who are forever attempting
to restrict the liberty
of the individual i suppose
the next thing will be a law
on the statute books prohibiting
the consumption of pickled onions

and with another curse
he passed from the train
which had just then drawn up
beside
a station and went out
of my life forever

well boss i am somewhere in long
island and i know now how
it got its name i
started out to find the
place you are commuting from and
after considerable trouble and being for some
days on the way i have lost myself but
at twilight last evening i
happened to glance towards a lighted
window in a house near the railway and
i saw a young woman writing on a typewriter i
waited until the light was out and crawled
up the side of the house and through a
hole in the screen fortunately there was a
piece of paper in the machine it was my only
chance to communicate with you and ask
you to hurry a relief party when
the house got quiet i began to write

the foregoing a moment ago i was
interrupted by a woman s voice what
was that noise she said nothing at all
said a man s voice you are always
hearing things at night but it
sounded as if my typewriter were clicking she
insisted go to sleep said he then
i clicked it some more henry get up she said
there s some one in the house a moment
later the light was turned on and
they both stood in the doorway of the room now
are you satisfied he said you
see there is no one in here at
all i was hiding in the shadow under the
keys they went back into
their bed room and i began to write
the foregoing lines
henry henry she said do you hear that
i do he says it is nothing but the
house cooling off it always cracks that way
cooling off nothing she said not a
hot night like this then said henry it
is cracking with the heat i tell you
she said that is the typewriter clicking well
he said you saw for yourself the room was
empty and the door was locked it can t
be the typewriter to prove it to you
i will bring it in here he did so the
machine was set down

in the moonlight which came in one of
 the windows with the key side in the
 shadow there he said look at it and see
 for yourself it is not being operated by any one
 just then i began to write the foregoing
 lines hopping from key
 to key in the shadow and being anxious
 to finish my
 god my god cried henry losing his nerve
 the machine is writing all by itself it
 is a ghost and threw himself face
 downward on the bed and hid his face in the
 pillow and kept on saying my god my
 god it is a ghost and the woman screamed
 and said it is
 tom higginsbotham s ghost that s whose ghost
 it is oh i know whose
 ghost it is my conscience tells me i
 jilted him when we were studying
 stenography together
 at the business college and he went into
 a decline and died and i have always
 known in my heart that he
 died of unrequited love o what a
 wicked girl i was and he has come
 back to haunt me
 i have brought a curse upon you henry chase

the window and writes i will be behind the waste
paper receptacle outside the station door

they are still quarreling as i
close i can do no less than
say thank you mable and henry in
advance for mailing this

a wolf met a spring
lamb drinking
at a stream
and said to her
you are the lamb
that muddied this stream
all last year
so that i could not get
a clean fresh drink
i am resolved that
this outrage
shall not be enacted again
this season
i am going to kill you
just a moment
said the lamb
i was not born last
year so it could not
have been i
the wolf then pulled
a number of other
arguments as to why the lamb

should die
but in each case the lamb
pretty innocent that she was
easily proved
herself guiltless
well well said the wolf
enough of argument
you are right and i am wrong
but i am going to eat
you anyhow
because i am hungry
stop exclamation point
cried a human voice
and a man came over
the slope of the ravine
vile lupine marauder
you shall not kill that
beautiful and innocent

exit the wolf

poor little lamb
continued our human hero
sweet tender little thing
it is well that i appeared
just when i did
it makes my blood boil
to think of the fright

to which you have been
 subjected in another
 moment i would have been
 too late come home with me
 and the lamb frolicked
 about her new found friend
 gamboling as to the sound
 of a wordsworthian tabor
 and leaping for joy
 as if propelled by a stanza
 from william blake
 these vile and bloody wolves
 went on our hero
 in honest indignation
 they must be cleared out
 of the country
 the meads must be made safe
 for sheepocracy
 and so jollying her along
 with the usual human hokum
 he led her to his home
 and the son of a gun
 did not even blush when
 they passed the mint bed
 gently he cut her throat
 all the while inveighing
 against the inhuman wolf
 and tenderly he cooked her
 and lovingly he sauced her

and meltingly he ate her
and piously he said a grace
thanking his gods
for their bountiful gifts to him
and after dinner
he sat with his pipe
before the fire meditating
on the brutality of wolves
and the injustice of
the universe
which allows them to harry
poor innocent lambs
and wondering if he
had not better
write to the papers
for as he said
for god s sake can t
something be done about it

the lesson of the moth

i was talking to a moth
the other evening
he was trying to break into
an electric light bulb
and fry himself on the wires

why do you fellows
pull this stunt i asked him
because it is the conventional
thing for moths or why
if that had been an uncovered
candle instead of an electric
light bulb you would
now be a small unsightly cinder
have you no sense

plenty of it he answered
but at times we get tired
of using it
we get bored with the routine
and crave beauty
and excitement

fire is beautiful
and we know that if we get
too close it will kill us
but what does that matter
it is better to be happy
for a moment
and be burned up with beauty
than to live a long time
and be bored all the while
so we wad all our life up
into one little roll
and then we shoot the roll
that is what life is for
it is better to be a part of beauty
for one instant and then cease to
exist than to exist forever
and never be a part of beauty
our attitude toward life
is come easy go easy
we are like human beings
used to be before they became
too civilized to enjoy themselves

and before i could argue him
out of his philosophy
he went and immolated himself
on a patent cigar lighter
i do not agree with him
myself i would rather have

half the happiness and twice
the longevity

but at the same time i wish
there was something i wanted
as badly as he wanted to fry himself

a roach of the taverns

i went into a
speakeasy the other night
with some of the
boys and we were all sitting
around under one of
the tables making
merry with crumbs and
cheese and what not but
after while a strange
melancholy descended
upon the jolly crew and
one old brown veteran roach
said with a sigh well
boys eat drink and
be maudlin for
tomorrow we are dry the
shadow of the padlock
rushes toward us
like a sahara sandstorm
flinging itself at an oasis
for years myself and my
ancestors before me have

inhabited yonder ice box but
the day approaches
when our old homestead
will be taken away from
here and scalded out
yes says i soon there will
be nothing but that
cheu fugaces stuff
on every hand i
never drank it says he
what kind of a
drink is it
it is bitter as wormwood
says i and the
only chaser to it is
the lethean water
it is not the booze itself
that i regret so
much said the old brown
roach it is the
golden companionship of
the tavern myself
and my ancestors have been
chop house and tavern
roaches for hundreds of years
countless generations back
one of my elizabethan
forbears was plucked from

a can of ale in the
 mermaid tavern by
 will shakespeare and
 put down kit marlowe s back
 what subtle wits they were in
 those days said i yes
 he said and later
 another one of my
 ancestors was
 introduced into a larded
 hare that addison
 was eating by dicky steele
 my ancestor came
 skurrying forth dicky
 said is that your own
 hare joe or a wig a
 thing which addison
 never forgave yours is a
 remarkable family
 history i said yes he
 said i am the last
 of a memorable
 line one of my
 ancestors was found drowned
 in the ink well
 out of which poor
 eddie poe wrote the
 raven we have

always associated with wits
bohemians and bon
vivants my maternal
grandmother was slain by
john masefield with
a bung starter well well it
is sad i said the
glad days pass yes
he says soon we will all
be as dry as the
egyptian scarab that
lies in the sarcophagus
beside the mummy of rameses and
he hasn t had a
drink for four thousand
years it is sad for
you he continued but
think how much sadder it
is for me with
a family tradition such as
mine only one of my
ancestors cheese it i said
interrupting him i do
not wish to injure
your feelings but i weary
of your ancestors i
have often noticed that
ancestors never boast
of the descendants who boast

of ancestors i would
rather start a family than
finish one blood will tell but often
it tells too much

the froward lady bug

boss is it not awful
the way some female
creatures mistake ordinary
politeness for sudden
adoration
i met a katydid in a
beef stew in ann
street the other evening her
foot slipped and she
was about to sink
forever when i pushed her a
toothpick since i
rescued her the poor silly
thing follows me about
day and night i always felt
my fate would be a

to be rescued by one i
am musical myself my
nature is sensitive to it so
much so that for
months i dwelt in a grand

piano in carnegie hall i
hope you don t think
i am bold no i said you
seem timid to me you
seem to lack courage entirely the
way you dog my footsteps
one would think you
were afraid to be alone i do
not wish any one any
ill luck but if
this shrinking thing got
caught in a high wind and
was blown out to
open sea i hope she would
be saved by a ship

pete the parrot and shakespeare

i got acquainted with
a parrot named pete recently
who is an interesting bird
pete says he used
to belong to the fellow
that ran the mermaid tavern
in london then i said
you must have known
shakespeare know him said pete
poor mutt i knew him well
he called me pete and i called him
bill but why do you say poor mutt
well said pete bill was a
disappointed man and was always
boring his friends about what
he might have been and done
if he only had a fair break
two or three pints of sack
and sherris and the tears
would trickle down into his
beard and his beard would get
soppy and wilt his collar

i remember one night when
bill and ben jonson and
frankie beaumont
were sopping it up

here i am ben says bill
nothing but a lousy playwright
and with anything like luck
in the breaks i might have been
a fairly decent sonnet writer
i might have been a poet
if i had kept away from the theatre

yes says ben i ve often
thought of that bill
but one consolation is
you are making pretty good money
out of the theatre

money money says bill what the hell
is money what i want is to be
a poet not a business man
these damned cheap shows
i turn out to keep the
theatre running break my heart
slap stick comedies and
blood and thunder tragedies
and melodramas say i wonder
if that boy heard you order

another bottle frankie
the only compensation is that i get
a chance now and then
to stick in a little poetry
when nobody is looking
but hells bells that isn t
what i want to do
i want to write sonnets and
songs and spenserian stanzas
and i might have done it too
if i hadn t got
into this frightful show game
business business business
grind grind grind
what a life for a man
that might have been a poet

well says frankie beaumont
why don t you cut it bill
i can t says bill
i need the money i ve got
a family to support down in
the country well says frankie
anyhow you write pretty good
plays bill any mutt can write
plays for this london public
says bill if he puts enough
murder in them what they want
is kings talking like kings

never had sense enough to talk
and stabbings and stranglings
and fat men making love
and clowns basting each
other with clubs and cheap puns
and off color allusions to all
the smut of the day oh i know
what the low brows want
and i give it to them

well says ben jonson
don t blubber into the drink
brace up like a man
and quit the rotten business
i can t i can t says bill
i ve been at it too long i ve got to
the place now where i can t
write anything else
but this cheap stuff
i m ashamed to look an honest
young sonneteer in the face
i live a hell of a life i do
the manager hands me some mouldy old
manuscript and says
bill here s a plot for you
this is the third of the month
by the tenth i want a good
script out of this that we
can start rehearsals on

not too big a cast
and not too much of your
damned poetry either
you know your old
familiar line of hokum
they eat up that falstaff stuff
of yours ring him in again
and give them a good ghost
or two and remember we gotta
have something dick burbage can get
his teeth into and be sure
and stick in a speech
somewhere the queen will take
for a personal compliment and if
you get in a line or two somewhere
about the honest english yeoman
it s always good stuff
and it s a pretty good stunt
bill to have the heavy villain
a moor or a dago or a jew
or something like that and say
i want another
comic welshman in this
but i don t need to tell
you bill you know this game
just some of your ordinary
hokum and maybe you could
kill a little kid or two a prince
or something they like

a little pathos along with
the dirt now you better see burbage
tonight and see what he wants
in that part oh says bill
to think i am
debasing my talents with junk
like that oh god what i wanted
was to be a poet
and write sonnet serials
like a gentleman should

well says i pete
bill s plays are highly
esteemed to this day
is that so says pete
poor mutt little he would
care what poor bill wanted
was to be a poet

the old trouper

i ran onto mehitabel again
last evening
she is inhabiting
a decayed trunk
which lies in an alley
in greenwich village
in company with the
most villainous tom cat
i have ever seen
but there is nothing
wrong about the association
archy she told me
it is merely a plutonic
attachment
and the thing can be
believed for the tom
looks like one of pluto s demons
it is a theatre trunk
archy mehitabel told me
and tom is an old theatre cat
he has given his life
to the theatre

he claims that richard
mansfield once
kicked him out of the way
and then cried because
he had done it and
petted him
and at another time
he says in a case
of emergency
he played a bloodhound
in a production of
uncle tom s cabin
the stage is not what it
used to be tom says
he puts his front paw
on his breast and says
they don t have it any more
they don t have it here
the old troupers are gone
there s nobody can troupe
any more
they are all amateurs nowadays
they haven t got it
here
there are only
five or six of us oldtime
troupers left
this generation does not know
what stage presence is

personality is what they lack
personality
where would they get
the training my old friends
got in the stock companies
i knew mr booth very well
says tom
and a law should be passed
preventing anybody else
from ever playing
in any play he ever
played in
there was a trouper for you
i used to sit on his knee
and purr when i was
a kitten he used to tell me
how much he valued my opinion
finish is what they lack
finish
and they haven t got it
here
and again he laid his paw
on his breast
i remember mr daly very
well too
i was with mr daly s company
for several years
there was art for you
there was team work

there was direction
they knew the theatre
and they all had it
here
for two years mr daly
would not ring up the curtain
unless i was in the
prompter s box
they are amateurs nowadays
rank amateurs all of them
for two seasons i played
the dog in joseph
jefferson s rip van winkle
it is true i never came
on the stage
but he knew i was just off
and it helped him
i would like to see
one of your modern
theatre cats
act a dog so well
that it would convince
a troup er like jo jefferson
but they haven t got it
nowadays
they haven t got it
here
jo jefferson had it he had it
here

i come of a long line
of theatre cats
my grandfather
was with forrest
he had it he was a real trouper
my grandfather said
he had a voice
that used to shake
the ferryboats
on the north river
once he lost his beard
and my grandfather
dropped from the
fly gallery and landed
under his chin
and played his beard
for the rest of the act
you don t see any theatre
cats that could do that
nowadays
they haven t got it they
haven t got it
here
once i played the owl
in modjeska s production
of macbeth
i sat above the castle gate
in the murder scene
and made my yellow

MEHITABEL, HE SAYS -

eyes shine through the dusk
 like an owl s eyes
 modjeska was a real
 trouper she knew how to pick
 her support i would like
 to see any of these modern
 theatre cats play the owl s eyes
 to modjeska s lady macbeth
 but they haven t got it nowadays
 they haven t got it
 here

mehitabel he says
 both our professions
 are being ruined
 by amateurs

archy declares war

i am going to start
a revolution
i saw a kitchen
worker killing
water bugs with poison
hunting pretty
little roaches
down to death
it set my blood to
boiling
i thought of all
the massacres and slaughter
of persecuted insects
at the hands of cruel humans
and i cried
aloud to heaven
and i knelt
on all six legs
and vowed a vow
of vengeance
i shall organize the insects
i shall drill them

i shall lead them
 i shall fling a billion
 times a billion billion
 risen insects in an army
 at the throats
 of all you humans
 unless you sign the papers
 for a damn site better treatment
 volunteers volunteers
 hearken to my calling
 fifty million flies
 are wanted may the first
 to die in marmalade
 curses curses curses
 on the cruel human race
 does not the poor mosquito
 love her little offspring
 that you swat against the wall
 out of equatorial
 swamps and fever jungles
 come o mosquitoes
 a billion billion strong
 and sting a billion baldheads
 till they butt against each other
 and break like egg shells
 caterpillars locusts
 grasshoppers gnats
 vampire moths
 black legged spiders

with red hearts of hell
centipedes and scorpions
little gingery ants
come come come
come you tarantulas
with fury in your feet
bloodsuckers wriggle
out of the bayous
ticks cooties hornets
give up your pleasures
all your little trivial
sunday school picnics
this is war
in earnest
and red revolution
come in a cloud
with a sun hiding miracle
of small deadly wings
swarm stab and bite
what we want is justice
curses curses curses
over land air and water
whirl in a million
sweeping and swaying
cyclonic dances
whirl high and swoop
down on the cities
like a comet bearing death
in the loop and flick

of its tail
little little creatures
out of all your billions
make great dragons
that lie along the sky
and war with the sunset
and eat up the moon
draw all the poison
from the evil stars
and spit it on the earth
remember every planet
pivots on an atom
and so you are strong
i swear by the great
horned toad of mithridates
i swear by the vision
of whiskered old pythagoras
that i am very angry
i am mad as hell
for i have seen a soapy
kitchen mechanic
murdering my brothers
slaying little roaches
pathetic in their innocence
damn her red elbows
damn her spotted apron
damn her steamy hair
damn her dull eyes
that look like a pair

of little pickled onions
curses curses curses
i even heard her praised
for undertaking murder
on her own volition
and called the only perfect
cook in the city
come come come
come in your billions
tiny small feet
and humming little wings
crawlers and creepers
wigglers and stingers
scratchers borers slitherers
little forked tongues
man is at your mercy
one sudden gesture
and all his empires perish
rise
strike for freedom
curses on the species
that invented roach poison
curses on the stingy
beings that evolved
tight zinc covers
that you can t crawl under
for their garbage cans
come like a sandstorm
spewed from the mouth

of a great apocalyptic
 desert making devil

 sooty and fiery
 snorted from the nostrils

ghosts

you want to know
whether i believe in ghosts
of course i do not believe in them
if you had known
as many of them as i have
you would not
believe in them either
perhaps i have been
unfortunate in my acquaintance
but the ones i have known
have been a bad lot
no one could believe in them
after being acquainted with them
a short time
it is true that i have met
them under peculiar
circumstances
that is while they
were migrating into the
bodies of what human beings
consider a lower order

of creatures
before i became a cockroach
i was a free verse poet
one of the pioneers of the artless art
and my punishment for that
was to have my soul
enter the body of a cockroach
the ghosts i have known
were the ghosts of persons
who were waiting for a vacant
body to get into
they knew they were going
to transmigrate into the bodies of
lizards lice bats snakes
worms beetles mice alley cats
turtles snails tadpoles
etcetera
and while they were waiting
they were as cross as all get out
i remember talking to one of them
who had just worked his way
upward again he had been in the
body of a flea and he was going
into a cat fish
you would think he might be
grateful for the promotion
but not he
i do not call this much of an advance
he said why could i not

be a humming bird or something
kid i told him it will
take you a million years to work your
way up to a humming bird
when i remember he said
that i used to be a hat check boy
in a hotel i could
spend a million years weeping
to think that i should come to this
we have all seen better days i said
we have all come down in the world
you have not come down as far
as some of us
if i ever get to be a hat check boy
again he said i will sting
somebody for what i have had to suffer
that remark will probably cost you
another million years among
the lower creatures i told him
transmigration is a great thing
if you do not weaken
personally my ambition is to get
my time as a cockroach shortened for
good behavior and be promoted
to a revenue officer
it is not much of a step up but
i am humble
i never ran across any of this

ectoplasm that sir arthur
conan doyle tells of but it sounds
as if it might be wonderful
stuff to mend broken furniture with

archy hears from mars

at eleven o clock
p m on last saturday evening
i received the following
message on my
own private radio set
good evening little archibald
and how are you
this is mars speaking
i replied at once
whom or who
as the case may be
do i know on mars
every one here is familiar
with your work archy
was the answer
and we feel well repaid
for all the trouble we have had
in getting in touch
with your planet
thank you i replied
i would rather hear
mars say that

than any other planet
 mars has always been
 one of my favorite planets
 it is sweet of you
 to think that way about us
 said mars
 and so we continued to pay
 each other interstellar
 compliments
 what is or are
 thirty five million miles
 between kindred souls
 tell us all about
 your planet said mars
 well i said it is
 round like an orange
 or a ball
 and it is all cluttered
 up with automobiles
 and politicians
 it doesn't know where it is
 going nor why
 but it is in a hurry
 it is in charge of a
 two legged animal called
 man who is genuinely
 puzzled as to whether
 his grandfather was a god
 or a monkey

i should think said mars
that what he is himself
would make more difference
than what his grandfather was
not to this animal i replied
he is the great alibi ike of
the cosmos when he raises hell
just because he feels like
raising hell
he wants somebody to blame it on
can t anything be done about him
said mars
i am doing the best i can
i answered
but after all i am only one
and my influence is limited
you are too modest archy
said mars
we all but worship you
here on this planet
a prophet said i is not
without honor save on his own
planet wait a minute
said mars
i want to write that down
that is one of your best things
archy is it original
it was once i answered truthfully
and may be again

won t you tell us a little
 something said mars
 about yourself what you look like
 and what you think
 is the best thing you have written
 and your favorite games
 and that sort of thing
 well i said i am brunette
 and stand over six feet
 without any shoes on
 the best skits i have done
 were some little plays
 i dashed off
 under the general title
 of shakespeare s plays
 and my favorite sport is theology
 you must meet
 a great many interesting people
 said mars
 oh yes i said one becomes
 accustomed to that after a while
 what is your favorite dish
 said mars and do you believe
 in the immortality of the soul
 stew i said and yes
 at least mine is immortal
 but i could name several others
 that i have my doubts about
 is there anything else

of interest about your planet
which you wish to tell your
many admirers on mars
asked mars
there is very little else
of any real interest i said
and now will you tune out
and let me do some work
you people who say you admire
my work are always butting in
and taking up my time
how the hell can i get any
serious literary work done
if you keep bothering me
all the time now you get off
the ether and let me do some
deep thinking
you might add that i am shy
and loathe publicity

mehitabel dances with boreas

well boss i saw mehitabel
last evening
she was out in the alley
dancing on the cold cobbles
while the wild december wind
blew through her frozen whiskers
and as she danced
she wailed and sang to herself
uttering the fragments
that rattled in her cold brain
in part as follows

whirl mehitabel whirl
spin mehitabel spin
thank god you re a lady still
if you have got a frozen skin

blow wind out of the north
to hell with being a pet
my left front foot is brittle
but there s life in the old dame yet

dance mehitabel dance
caper and shake a leg
what little blood is left
will fizz like wine in a keg

wind come out of the north
and pierce to the guts within
but some day mehitabel s guts
will string a violin

moon you re as cold as a frozen
skin of yellow banan
that sticks in the frost and ice
on top of a garbage can

and you throw a shadow so chilly
that it can scarcely leap
dance shadow dance
you ve got no place to sleep

whistle a tune north wind
on my hollow marrow bones
i ll dance the time with three good feet
here on the alley stones

freeze you bloody december
i never could stay a pet
but i am a lady in spite of hell
and there s life in the old dame yet

whirl mehitabel whirl
flirt your tail and spin
dance to the tune your guts will cry
when they string a violin

eight of my lives are gone
it s years since my fur was slicked
but blow north wind blow
i m damned if i am licked

girls we was all of us ladies
we was o what the hell
and once a lady always game
by crikey blood will tell

i might be somebody s pet
asleep by the fire on a rug
but me i was always romantic
i had the adventurous bug

caper mehitabel caper
leap shadow leap
you gotto dance till the sun comes up
for you got no place to sleep

i might have been many a tom cat s wife
but i got no regret
i lived my life as i liked my life
and there s pep in the old dame yet

blow wind out of the north
you cut like a piece of tin
slice my guts into fiddle strings
and we ll have a violin

spin mehitabel spin
you had a romantic past
and you re gonna cash in dancing
when you are croaked at last

i will not eat tomorrow
and i did not eat today
but wotthell i ask you
the word is toujours gai

whirl mehitabel whirl
i once was a maltese pet
till i went and got abducted
and cripes i m a lady yet

whirl mehitabel whirl
and show your shadow how
tonight it s dance with the bloody moon
tomorrow the garbage scow

whirl mehitabel whirl
spin shadow spin
the wind will pipe on your marrow bones
your slats are a mandolin

.....YOU GOTTA DANCE
TILL THE SUN COMES
UP

by cripes i have danced the shimmy
in rooms as warm as a dream
and gone to sleep on a cushion
with a bellyfull of cream

it s one day up and next day down
i led a romantic life
it was being abducted so many times
as spoiled me for a wife

dance mehitabel dance
till your old bones fly apart
i ain t got any regrets
for i gave my life to my art

whirl mehitabel whirl
caper my girl and grin
and pick at your guts with your frosty feet
they re the strings of a violin

girls we was all of us ladies
until we went and fell
and oncet a thoroughbred always game
i ask you wotthehell

it s last week up and this week down
and always the devil to pay
but cripes i was always the lady
and the word is toujours gai

be a tabby tame if you want
somebody s pussy and pet
the life i led was the life i liked
and there s pep in the old dame yet

whirl mehitabel whirl
leap shadow leap
you gotto dance till the sun comes up
for you got no place to sleep

archy at the zoo

the centipede adown the street
goes braggartly with scores of feet
a gaudy insect but not neat

the octopus s secret wish
is not to be a formal fish
he dreams that some time he may grow
another set of legs or so
and be a broadway music show

oh do not always take a chance
upon an open countenance
the hippopotamus s smile
conceals a nature full of guile

human wandering through the zoo
what do your cousins think of you

i worry not of what the sphinx
thinks or maybe thinks she thinks

i have observed a setting hen
arise from that same attitude
and cackle forth to chicks and men
some quite superfluous platitude

serious camel sad giraffe
are you afraid that if you laugh
those graceful necks will break in half

a lack of any mental outlet
dictates the young cetacean s spoutlet
he frequent blows like me and you
because there s nothing else to do

when one sees in the austral dawn
a wistful penguin perched upon
a bald man s bleak and desert dome
one knows tis yearning for its home

the quite irrational ichneumon
is such a fool it s almost human

despite the sleek shark s far flung grin
and his pretty dorsal fin
his heart is hard and black within
even within a dentist s chair
he still preserves a sinister air
a prudent dentist always fills
himself with gas before he drills

the dissipated hornet

well boss i had a
great example of the corrupting
influence of the great
city brought to my notice recently a
drunken hornet blew in here
the other day and sat down in the
corner and dozed and buzzed not a
real sleep you know one of those wakeful
liquor trances with the
fuzzy talk oozing out of it to hear
this guy mumble in his dreams he was right
wicked my name he says is crusty bill
i never been licked and i never will and
then he would go half way asleep
again nobody around here wanted to
fight him and after a while he got
sober enough to know how drunk he had
been and began to cry over it and get
sentimental about himself mine is a wasted
life he says but i had a good
start red liquor ruined me he says and
sobbed tell me your story i .

said two years ago he said i was a country
hornet young and strong and handsome i
lived in a rusty rainspout with my
parents and brothers and sisters and all was
innocent and merry often in that happy
pastoral life would we swoop down
with joyous laughter and sting the school
children on the village green but on an evil
day alas i came to the city in a crate
of peaches i found myself in a market
near the water front alone and friendless in the
great city its ways were strange to
me food seemed inaccessible i thought
that i might starve to death as i was buzzing
down the street thinking these gloomy
thoughts i met another hornet
just outside a speakeasy kid he says
you look down in the mouth forget
it kid i will show you how to live without
working how i says watch me he says just
then a drunken fly came crawling out
of the bar room in a leisurely way my new
found friend stung dissected and consumed that fly
that s the way he says smacking his lips
this is the life that was a beer fly
wait and i will get you a cocktail fly this
is the life i took up that life alas the
flies around a bar room get so drunk drinking
what is spilled that they are helpless all a

hornet has to do is wait calmly until
they come staggering out and there is his
living ready made for him at first being
young and innocent i ate only beer flies but
the curse of drink got me the mad life began
to tell upon me i got so i would not eat a
fly that was not full of some strong and heady
liquor the lights and life got me i would
not eat fruits and vegetables any more i scorned
flies from a soda fountain
they seemed flat and insipid to me
finally i got so wicked that i
went back to the country and got six innocent
young hornets and brought them back
to the city with me i started them in the
business i debauched them and
they caught my flies for me now i am in
an awful situation my six hornets from the
country have struck and set up on their own
hook i have to catch my flies myself
and my months of idleness and
dissipation have spoiled my technique i
can t catch a fly now unless he is dead drunk
what is to become of me alas the curse
of alcoholic beverages especially with each
meal well i said it is a sad story
bill and of a sort only too
common in this day of ours it is he says i
have the gout in my stinger so bad

that i scream with pain every time i spear
a fly i got into a safe place on the
inside of the typewriter and yelled out at him
my advice is suicide bill all the time
he had been pitying himself my sympathy had
been with the flies

unjust

poets are always asking
where do the little roses go
underneath the snow
but no one ever thinks to say
where do the little insects stay
this is because
as a general rule
roses are more handsome
than insects
beauty gets the best of it
in this world
i have heard people
say how wicked it was
to kill our feathered
friends
in order to get
their plumage and pinions
for the hats of women
and all the while
these same people
might be eating duck
as they talked

the chances are
that it is just as discouraging
to a duck to have
her head amputated
in order to become
a stuffed roast fowl
and decorate a dining table
as it is for a bird
of gayer plumage
to be bumped
off the running board of existence
to furnish plumage
for a lady's hat
but the duck
does not get the sympathy
because the duck
is not beautiful
the only insect
that succeeds in getting
mourned is a moth
or butterfly
whereas every man's
heel is raised against
the spider
and it is getting harder
and harder for spiders
to make an honest living
at that since
human beings have invented

so many ways
of killing flies
humanity will shed poems
full of tears
over the demise of
a bounding doe
or a young gazelle
but the departure of a trusty
camel leaves the
vast majorities
stonily indifferent
perhaps the theory is
that god would not have made
the camel so ugly
if the camel were not wicked
alas exclamation point
the pathos of ugliness
is only perceived
by us cockroaches of the world
and personally
i am having to stand for a lot
i am getting it double
as you might say
before my soul
migrated into the body
of a cockroach
it inhabited the carcase
of a vers libre poet
some vers libre poets are beautiful

but i was not
i had a little blond mustache
that every one thought was a mistake
and yet since i have died
i have thought of that
with regret
it hung over a mouth
that i found it difficult to keep closed
because of adenoidal trouble
but it would have been better
if i could have kept it closed
because the teeth within
were out of alignment
and were of odd sizes
this destroyed my acoustics
as you might say
my chin was nothing much
and knew it
and timidly shrank
into itself
receding from the battle of life
my eyes were all right
but my eyebrows
were scarcely noticeable
i suppose though that if
i had had noticeable eyebrows
they would have been wrong
somehow
well well not to pursue

this painful subject
to the uttermost and ultimate
wart and freckle
i was not handsome and it hampered
me when i was a human
it militated against me
as a poet
more beautiful creatures could
write verse worse than mine
and get up and recite it
with a triumphant air
and get away with it
but my sublimest ideas
were thought to be a total
loss when people saw
where they came from
i think it would have been
only justice
if i had been sent to inhabit
a butterfly
but there is very little
justice in the universe
what is the use
of being the universe
if you have to be just
interrogation point
and i suppose the universe
had so much really important
business on hand

that it finds it impossible
to look after the details
it is rushed
perhaps it has private
knowledge to the effect
that eternity is brief
after all
and it wants to get the big
jobs finished in a hurry
i find it possible to forgive
the universe
i meet it in a give and take spirit
although i do wish
that it would consult me at times
please forgive
the profundity of these
meditations
whenever i have nothing
particular to say
i find myself always
always plunging into cosmic
philosophy
or something

the cheerful cricket

i can t see for the
life of me what there is
about crickets that makes people
call them jolly they
are the parrots of the insect race
crying cheer up cheer up
cheer up over and
over again till you want to
swat them i hate one of these
grinning skipping smirking
senseless optimists worse
than i do a cynic or a
pessimist there was
one in here the other day i was
feeling pretty well
and pleased with the world when
he started that confounded
cheer up cheer up cheer up stuff
fellow i said i am
cheerful enough or i was till
a minute ago but you
get on my nerves it s all right

to be bright and merry
but what s the use
pretending you have more
cheerfulness than there is in the
world you sound
insincere to me you insist on
it too much you make
me want to sit in
a tomb and listen to the
screech owls telling
ghost stories to the tree toads i
would rather that i heard a door squeak have
you only one record the sun
shone in my soul today before
you came and you
have made me think of the
world s woe groan
once or i will go mad your
voice floats around the world like
the ghost of a man
who laughed himself to death
listening to funny stories
the boss told i listen to you
and know why shakespeare
killed off mercutio so
early in the play it is only
hamlet that can
find material for five acts
cheer up cheer up cheer up he

says bo i told him i
 wish i was the
 woolworth tower i would fall
 on you cheer up cheer up cheer
 up he says again

clarence the ghost

the longer i live the more i
realize that everything is
relative even morality is
relative things you would not do
sometimes you would do other
times for instance i would not consider
it honorable in me as a
righteous cockroach to crawl into a
near sighted man s soup that
man would not have a sporting chance but
with a man with ordinarily good eye
sight i should say it was
up to him to watch his soup himself and
yet if i was very tired and hungry
i would crawl into even a near
sighted man s soup knowing all the
time it was wrong and my necessity would
keep me from reproaching myself too
bitterly afterwards you can
not make any hard and fast rule
concerning the morality of crawling into
soup nor anything else a certain

ALL A SPOOK HAS TO DO
IS STICK AROUND.
Hedding

alloy of expediency improves the
gold of morality and makes
it wear all the longer consider a
ghost if i were a ghost i
would not haunt ordinary people but i
would have all the fun i wanted to with
spiritualists for spiritualists are
awful nuisances to ghosts i knew a
ghost by the name of clarence one
time who hated spiritualists with a
great hatred you see said clarence they
give me no rest they have got my
number once one of those psychics gets a
ghost s number so he has to come
when he is called they work him till
the astral sweat stands out in beads
on his spectral brow they seem to think
said clarence that all a spook has to do
is to stick around waiting to dash in
with a message as to whether mrs millionbucks
pet pom has pneumonia or only wheezes
because he has been eating too many
squabs clarence was quite
bitter about it but wait he says till
the fat medium with the red nose
that has my number
passes over and i can get my
clutches on him on equal terms there s
going to be some initiation beside

the styx several of the boys are
sore on him a plump chance i have
don t i to improve myself and pass on
to another star with that medium
yanking me into somebody s parlor to
blow through one of these little tin
trumpets any time of the day or night
honest archy he says i hate the sight of a
ouija board would it be moral he
says to give that goof a bum tip on the
stock market life ain t worth
dying he says if you ve got to fag
for some chinless chump of a psychic
nor death ain t worth living
through would it be moral in me to
queer that simp with his
little circle by saying he s got an
anonymous diamond brooch in his pocket
and that his trances are rapidly developing
his kleptomania no clarence i said it
wouldn t be moral but it
might be expedient there s a ghost
around here i have been trying to get
acquainted with but he is shy i think he is
probably afraid of cockroaches

some natural history

the patagonian
penguin
is a most
peculiar
bird
he lives on
pussy
willows
and his tongue
is always furred
the porcupine
of chile
sleeps his life away
and that is how
the needles
get into the hay
the argentinian
oyster
is a very
subtle gink

for when he s
being eaten
he pretends he is
a skink
when you see
a sea gull
sitting
on a bald man s dome
she likely thinks
she s nesting
on her rocky
island home
do not tease
the inmates
when strolling
through the zoo
for they have
their finer feelings
the same
as me and you
oh deride not
the camel
if grief should
make him die
his ghost will come
to haunt you
with tears
in either eye

SHE LIKELY THINKS
SHE'S NESTING

prudence

i do not think a prudent one
will ever aim too high
a cockroach seldom whips a dog
and seldom should he try

and should a locust take a vow
to eat a pyramid
he likely would wear out his teeth
before he ever did

i do not think the prudent one
hastes to initiate
a sequence of events which he
lacks power to terminate

for should i kick the woolworth tower
so hard i laid it low
it probably might injure me
if it fell on my toe

i do not think the prudent one
will be inclined to boast
lest circumstances unforeseen
should get him goat and ghost

for should i tell my friends i d drink
the hudson river dry
a tidal wave might come and turn
my statements to a lie

archy

archy goes abroad

london england
since i have been
residing in westminster
abbey i have learned
a secret that i desire
to pass on to the psychic
sharps it is this
until the body of a human
being perishes utterly
the spirit is not
released from its vicinity
so long as there is any
form left in the physical
part of it the ghost cannot go
to heaven or to hell
the ancient greeks
understood this and they
burned the body very often
so that the spirit could
get immediate release
the ancient egyptians
also knew it

but they reacted differently
 to the knowledge
 they embalmed the body
 so that the form would
 persist for thousands
 of years and the ghost would have
 to stick around for a time
 here in westminster abbey
 there are hundreds of
 ghosts that have not yet
 been released
 some of them are able to wander
 a few miles away
 and some of them cannot
 go further than a few hundred
 yards from the graves
 where the bodies lie
 for the most part they make
 the best of it
 they go out on little
 excursions around london
 and at night they sit on
 their tombs and
 tell their experiences
 to each other
 it is perhaps the most
 exclusive club in london
 henry the eighth came in
 about three oclock this morning

after rambling about
piccadilly for a couple of hours
and i wish i had the
space to report in detail
the ensuing conversation
between him and charles dickens
now and then
a ghost can so influence
a living person that you
might say he had grabbed off
that living person s body and was
using it as his own
edward the black prince
was telling the gang
the other evening
that he had been leading the life
of a city clerk for three weeks
one of those birds
with a top hat and a sack coat
who come floating through
the mist and drizzle
with manuscript cases
under their arms looking unreal
even when they are not animated
by ghosts edward the black prince
who is known democratically
as neddie black here
says this clerk was a mild and

THIS MORNING —

humble wight when he took
him over but he worked
him up to the place where
he assaulted a policeman
saturday night then left him flat
one of the most pathetic
sights however
is to see the ghost of queen
victoria going out every
evening with the ghost
of a sceptre in her hand
to find mr lytton strachey
and bean him it seems she beans
him and beans him and he
never knows it
and every night on the stroke
of midnight elizabeth tudor
is married to walter raleigh by that
eminent clergyman
dr lawrence sterne
the gang pulls a good many
pageants which are written
by ben jonson but i think
the jinks will not be properly
planned and staged until
j m barrie gets here
this is the jolliest bunch
i have met in london

since they passed over
that appearances and suety

archy at the tomb of napoleon

paris france
i went over to
the hotel des invalides
today and gazed on
the sarcophagus of the
great napoleon
and the thought came
to me as i looked
down indeed it
is true napoleon
that the best goods
come in the smallest
packages here are
you napoleon with
your glorious course
run and here is
archy just in the
prime of his career
with his greatest
triumphs still before
him neither one of us
had a happy youth

neither one of us
was welcomed socially at
the beginning of his
career neither one of
us was considered much
to look at
and in ten thousand years from
now perhaps what you said and did
napoleon will be
confused with what
archy said and did
and perhaps the burial
place of neither will be
known napoleon looking
down upon you
i wish to ask you now
frankly as one famous
person to another
has it been worth
all the energy
that we expended all the
toil and trouble and
turmoil that it cost us
if you had your life
to live over
again bonaparte would
you pursue the star
of ambition
i tell you frankly

bonaparte that i myself
would choose the
humbler part
i would put the temptation
of greatness aside
and remain an ordinary
cockroach simple
and obscure but alas
there is a destiny that
pushes one forward
no matter how hard
one may try to resist it
i do not need to
tell you about that
bonaparte you know as
much about it as i do
yes looking at it in
the broader way neither
one of us has been to blame
for what he has done
neither for his great
successes nor his great mistakes
both of us napoleon
were impelled by some
mighty force external to
ourselves we are both to
be judged as great forces of
nature as tools in the
hand of fate rather than as

individuals who willed to
do what we have done
we must be forgiven
napoleon
you and i
when we have been
different from the common
run of creatures
i forgive you as i know
that you would forgive
me could you speak to me
and if you and i
napoleon forgive and
understand each other
what matters it if all
the world else find
things in both of us that
they find it hard
to forgive and understand
we have been
what we have been
napoleon and let them laugh that off
well after an hour or so of
meditation there i left
actually feeling that i
had been in communion
with that great spirit and
that for once in my
life i had understood and been

archy at tomb of napoleon 243

understood

and i went away feeling

solemn but likewise

uplifted mehitabel the

cat is missing

archy

mehitabel meets an affinity

paris france
mehitabel the cat
has been passing her
time in the dubious
company of
a ragged eared tom cat
with one mean
eye and the other
eye missing whom
she calls francy
he has been the hero
or the victim of
many desperate encounters
for part of his tail
has been removed
and his back has been chewed
to the spine
one can see at a glance
that he is a sneak thief
and an apache
a bandit with long

curved claws
you see his likes hanging
about the outdoor markets
here in paris waiting
their chance to sneak
a fish or a bit
of unregarded meat
or whimpering
among the chair legs at the
sidewalk cafes in the
evenings or slinking
down the gutters of
alleys in the old
quarters of the town
he has a raucous voice
much damaged by the night
air and yet there is a
sentimental wheedling
note in it as well
and yet withal he carries
his visible disgrace with
a jaunty air
when i asked mehitabel
where in the name of st denis
did you pick up that
romantic criminal
in the luxembourg gardens
she replied where
we had both gone to kill

birds he has been showing me
paris he does not
understand english but speak of
him with respect
he is like myself
an example of the truth
of the pythagorean idea
you know that in my body
which is that of a cat
there is reincarnated
the soul of cleopatra
well this cat here
was not always a cat either
he has seen better days
he tells me that once he was
a bard and lived here in paris
tell archy here
something about yourself francy
thus encouraged the
murderous looking animal spoke
and i append a
rough translation of
what he said

tame cats on a web of the persian woof
may lick their coats and purr for cream
but i am a tougher kind of goof
scheming a freer kind of scheme

daily i climb where the pigeons gleam
over the gargoyles of notre dame
robbing their nests to hear them scream
for i am a cat of the devil i am

i ll tell the world i m a hard boiled oeuf
i rend the clouds when i let off steam
to the orderly life i cry pouf pouf
it is worth far less than the bourgeois deem
my life is a dance on the edge de l abime
and i am the singer you d love to slam
who murders the midnight anonym
for i am a cat of the devil i am

when the ribald moon leers over the roof
and the mist reeks up from the chuckling stream
i pad the quais on a silent hoof
dreaming the vagabond s ancient dream
where the piebald toms of the quartier teem
and fight for a fish or a mouldy clam
my rival i rip and his guts unseam
for i am a cat of the devil i am

roach i could rattle you rhymes by the ream
in proof of the fact that i m no spring lamb
maybe the headsman will finish the theme
for i am a cat of the devil i am

mehitabel i said
your friend is nobody else
than francois villon
and he looks it too

mehitabel sees paris

paris france
i have not been
to geneva but i have been
talking to a french cockroach
who has just returned
from there traveling all the
way in a third class
compartment he says there is no
hope for insect or man in
the league of nations
what prestige it ever had is gone
and it never had any
the idea of one great brotherhood
of men and insects on earth
is very attractive to me
but mehitabel the cat
says i am a communist an
anarchist and a socialist
she has been shocked to the soul
she says by what the
revolutionists did here during
the revolution

i am always the aristocrat archy
she said i may go and play
around montmartre and that sort
of thing and in fact i was
playing up there with francy last
night but i am always the lady
in spite of my little larks
toujours gai archy and toujours
the lady that is my motto in
spite of
ups and downs
what they did to us aristocrats
at the time of the revolution
was a plenty archy
it makes my heart bleed
to see signs of it all
over town those poor
dear duchesses that got it
in the neck i can sympathize
with them archy i may not
look it now but i come of a
royal race myself
i have come down in the world
but wotthehell archy wotthehell
jamais triste archy jamais triste
that is my motto
always the lady and always
out for a good time
francy and i lapped up

a demi of beer in a joint
up on the butte last night
that an american tourist
poured out for us
and everybody laughed and it
got to be the fashion up there
to feed beer to us cats
i did not get a vulgar souse
archy no lady gets a vulgar
souse wotthehell i hope i am above
all vulgarity but i did get a
little bit lit up
and francy did too we came
down and got on top of the
new morgue and sang and did
dances there
francy seems to see
something attractive about
morgues when he gets lit up
the old morgue he says was
a more romantic morgue but
vandal hands have torn it down
but wotthehell archy this one
will do to dance on
francy is showing me a side of
paris he says tourists don t often
get a look at he has a little
love nest down in the
catacombs where

he and i are living now
he and i go down there
and do the tango amongst the
bones he is really a most
entertaining and agreeable
companion archy and he has some
very quaint ideas he is busy now
writing a poem about
us two cats filled with beer
dancing among the bones
sometimes i think francy
is a little morbid
when i see these lovely old places
that us aristocrats built archy
in the hands of the bourgeois it
makes me almost wild
but i try to bear up i try
to bear up i find agreeable
companions and put a good face
on it toujours gai that is my
motto toujours gai
francy is a little bit done up
today he tried to steal a
partridge out of a frying
pan in a joint up on the butte
we went back there for more beer
after our party
at the morgue
and the cook beaned him with

a bottle poor francy i
should hate to lose him
but something tells me i should
not stay a widow long
there is something in the air
of paris archy
that makes one young again
there s more than one
dance in the old dame yet
and with these words she
put her tail in the air and
capered off down the alley
i am afraid we shall never
get mehitabel back to america
archy

mehitabel in the catacombs

paris france
 i would
 fear greatly for the morals
 of mehitabel the cat if she had any
 the kind of life she
 is leading is too violent
 and undisciplined for words
 she and the disreputable
 tom cat who claims to have
 been francois villon
 when he was on earth
 before have taken up their
 permanent abode in the catacombs
 whence they sally
 forth nightly on excursions
 of the most undignified nature
 sometimes they honor
 with their presence the cafes
 of montparnasse and the boul mich
 and sometimes they
 seek diversion in the cabarets
 on top of the butte

of montmartre
in these localities
it has become the fashion
among the humans
to feed beer to these
peculiar cats and they dance
and caper when they have
become well alcoholized
with this beverage
swinging their tails and
indulging in raucous feline
cries which they evidently
mistake for a song
it was my dubious
privilege to see them
when they returned to their
abode early yesterday morning
flushed as you might say
with bocks and still
in a holiday mood
the catacombs of paris are
not lined with the bones
of saints and martyrs
as are those of rome
but nevertheless these cats
should have more respect
for the relics of mortality
you may not believe me
but they actually danced and

capered among
the skeletons while the cat
who calls himself
francois villon gave forth
a chant of which the following
is a free translation

outcast bones from a thousand biers
click us a measure giddy and gleg
and caper my children dance my dears
skeleton rattle your mouldy leg
this one was a gourmet round as a keg
and that had the brow of semiramis
o fleshless forehead bald as an egg
all men s lovers come to this

this eyeless head that laughs and leers
was a chass daf once or a touareg
with golden rings in his yellow ears
skeleton rattle your mouldy leg
marot was this one or wilde or a wegg
who dropped into verses and down the abyss
and those are the bones of my old love meg
all men s lovers come to this

these bones were a ballet girl s for years
parbleu but she shook a wicked peg
and those ribs there were a noble peer s
skeleton rattle your mouldy leg

and here is a duchess that loved a yegg
with her lipless mouth that once drank bliss
down to the dreg of its ultimate dreg
all men s lovers come to this

prince if you pipe and plead and beg
you may yet be crowned with a grisly kiss
skeleton rattle your mouldy leg
all men s lovers come to this

off with the old love

paris france
i think
mehitabel the cat and the
outcast feline
who calls himself francois
villon are about to
quarrel and separate
mehitabel is getting tired
of living in the catacombs
she said to me
last evening
archy i sometimes wish
that francy s gaiety
did not so frequently take
a necrological turn
when francy is really happy
he always breaks
into a series of
lyric epitaphs
personally archy
i am a lady who can
be gay outside of

a mausoleum
as for morgues
and cemeteries i can
take them or i can
leave them alone
just because some of my
ancestors are now mummies
i do not feel
that i have to wait
till i see a sarcophagus
before i cheer up
i can fall in love
with a gentleman friend without
speculating how he is going
to look to the undertaker
and when i want to sing
a comic song
i do not always feel
impelled to hunt up a tomb
for a stage
i am a lady of refinement
archy i have had my ups
and downs and i have made
a few false steps in life
but i am toujours la grande dame
archy always the lady
old kid to hell with anything
coarse or unrefined
that has always been my motto

and the truth is that this
francy person has a yellow
streak of commonness
running through his poetic nature
i fell for him archy
but i feel there is trouble
coming we had words last
night over something no real
gentleman would have noticed
and the slob said to me
mehitabel if you make eyes again
at that tortoise shell
cat over there i will slice
your eyes out
with a single sweep of my claws
and toss them to the pigeons
archy those are words
that no gentleman would use
or no lady would take
you piebald fish thief
i told him
if i were not too refined
i would rip you
from the gullet to the mid riff
it is lucky for you
you frog eating four flush
that i always remember
my breeding
otherwise you would be

a candidate for what they call
civet stew in paris
something i won t stand for in a
gentleman friend
is jealousy of every other
person who may be attracted to me
by my gaiety and
aristocratic manner
and if i hear another word
out of you
i will can you first
and kill you afterwards
and then i will ignore you
archy a gentleman
with any real spirit
would have swung on me
when i said that
but this quitter let me
get away with it
i clawed him a little archy
just to show him i could
and the goof stood for it
no cat can hold me archy
that lets me claw him without
a come back i am a strong free
spirit and i live my own
life and only a masterful
cave cat can hold my affections
he must be a gentleman

but he must also make me feel
that he could be a
wild cat if he would
this francy person is neither
one nor the other
ah me archy i am afraid
my little romance
is drawing to a close
and no meal ticket in sight
either but what the hell archy
a lady can always find friends
it won t be the first time
i have been alone in the world
toujours gai archy
that is my motto
there s more than one dance
in the old dame yet

Marquis, Don
Archy and Mehitabel.

PENSACOLA JR. COLLEGE LIBRARY

EDDIE BRACKEN and **CAROL CHANNING** have made a wonderful record of archy and mehitabel, the enchanting back-alley opera by Joe Darion and George Kleinsinger, based on the Don Marquis stories, and written especially for Columbia Records. David Wayne narrates the proceedings with just the right tone of sympathetic drollery. Miss Channing is superb as the raffish mehitabel. And Mr. Bracken is perfect as the wistful archy. You'll want to own this 12-inch Columbia Masterworks "Lp" to listen to as you read.

Don Marquis introduced archy, the cockroach, and mehitabel, the cat, in his newspaper column, "Sun Dial," way back in 1916. Before that he had dipped into many diverse fields—acting, school-teaching, hay baling, and later he wrote plays, novels, and serious poetry. He once said ruefully: "It would be one on me if I should be remembered longest for creating a cockroach character."

But he inevitably will be, for archy's brilliant, truly delightful commentary on all phases of our life and times smacks today of the freshness of an established American classic.

mehitabel sings a song

THERE'S A DANCE IN THE OLD DAME YET.

there s a dance or two
in the old dame yet
believe me you
there s a dance or two
before i m through
you get me pet
there s a dance or two
in the old dame yet

life s too dam funny
for me to explain
it s kicks or money
life s too dam funny
it s one day sunny
the next day rain
life s too dam funny
for me to explain

but toujours gai
is my motto kid
the devil s to pay
but toujours gai
and once in a way
let s lift the lid
but toujours gai
is my motto kid*

"Don Marquis was one of our greatest humorists. His satire cut deep. His words often stung you while you grinned."

—BENJAMIN DECASSERES.

"No holds are barred; nothing is sacred; in these grotesque flash-lights of comic wisdom Don Marquis twirled as sinewy a wrist of ribaldry as American journalism ever knew."

—CHRISTOPHER MORLEY.
